Dear Commissioners,

I am writing as a small business owner, to be heard in the APS rate case. Operating a small business often means that I have a limited capacity to reduce my overhead.

If APS increases its fixed monthly charge, which I hear can be up to \$150, it could have a negative impact on my business and my community. I would likely have to reduce employee hours or operating hours to compensate for this increase in charges.

Please take small businesses into consideration when making your decision on this case and vote no to APS's proposed increases.

Thank you for your time,

Tamara Conyghlin
